

REMARKS

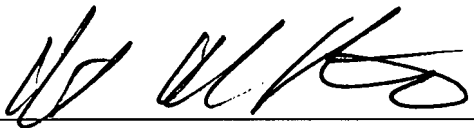

The foregoing election is made in response to a restriction requirement imposed by the Office Action dated June 8, 2007. In this respect, the Examiner indicated that the application contains claims directed to two allegedly patentably distinct species of the claimed invention. Specifically, the Examiner indicated that distinct species of the claimed invention were directed as follows: Species I represented by Claims 1-22; and Species II represented by Claims 23-25. Applicant was directed to select a single disclosed species, as well as identify a listing of all claims readable thereon.

By this response, Applicant hereby elects to proceed with prosecution of those claims drawn to the embodiment depicted in Species I represented by Claims 1-22. All other claims are withdrawn. Applicant hereby makes his election without traverse.

Accordingly, Applicant requests that the claims elected herein be substantively examined. To the extent the Examiner has any questions or requires additional information, the Examiner is invited to contact Applicant's counsel at the number listed below.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,
